NEW THIS YEAR: Everything will be done on a computer system this year so we are asking that all PHBA & ABRA exhibitors pre-register ahead of time to make it easier for the show office. You will need to send in your pre-entry form, a copy of the front and back of your horses registration papers, a copy of the front and back of your Association cards, and a copy of your 2012 coggins. If you plan on showing at both the June and August shows you will only need to send in your registration papers, association cards, and coggins for the June show, as we will keep those on file for the entire year. You will need to send in your pre-entry form separately for both shows though. You can find a pre-entry form for the PHBA classes at <http://www.wipalomino.com> and you can find a pre-entry form for the ABRA classes at <http://www.swbucks skin.com>. **Deadline for pre-entering for the June show is May 21st and the deadline for the August show is July 30th. No payment is required with your pre-entries, only the completed entry form. You can add or cancel classes when you arrive at the show, but you do need to pre-enter at least one class so we can set you up in the computer system.**
